MATCHING UP FOR SUCCESS 2003

UCB Pharma has joined the Neuroscience Nursing Foundation (NNF) as partners in a generous fund-raising program. **It has committed to match each dollar donated by AANN members and chapters up to a maximum of $15,000.** The funds generated by this effort will go to support the programs of NNF. The result of our efforts is to improve the resources available to neuroscience nurses and ultimately to improve the care provided to those we serve.

All donations received January 1 through the end of December 2003 will be matched and will be acknowledged via letter for your tax purposes. **NNF is recognized as a 501c(3) organization by the IRS.**

Donations can be made through AANN membership renewal invoices or by contacting the office. The NNF office can be reached by phone at 888/557-2266 or 847/375-4733.

Made possible by a generous matching grant from UCB Pharma.

Sponsored by the Neuroscience Nursing Foundation.
